

2018-2019 Season

We made it to 2018/2019!!!

This year is going to be crazy, with shows made for the bold audience.

This November we bring you the Canadian premiere of Taylor Mac's dark-comedy [Hir](#) as part of the brand new [SeeMore Series](#) at the Annex Theatre.

And while we aren't ready to announce everything yet, we can guarantee you'll be laughing later in the season too.
