[The Events](#) is coming up and that means it is time to showcase our choirs!

We're excited to feature the [Sarabande Chamber Choir](#) on stage with our artists on January 25th!

Sarabande is a challenging chamber choir for young adults, comprised of experienced singers. All of the members are mature vocalists who have a special interest in exploring challenging and diverse repertoire. This choir sings across Vancouver at different events, including Vancouver's official Remembrance Day ceremonies with the Vancouver Bach Youth Choir.
