Today is [Giving Tuesday](#), a global day dedicated to giving and volunteering. This day is about taking some of those savings from your Black Friday and Cyber Monday deals, and donating them to a charity, like Pi.

This year, we are challenging YOU to get involved. Your financial commitment or time (or both!) will go a long way to helping bring Sarah Kane's [Blasted](#) to life on the stage.

Giving is so simple! You head to [Canada Helps](#) and select Donate Now, or click the button on the left side of this page, and if you give today, Interac will be matching donations made using Interac Online. They'll be matching donations up to \$25, which is the exact amount that will get you a tax receipt. Then that \$25 will turn into \$50!

If you would like to donate your time, we will gladly accept that offer too. Pi has a busy spring coming up and we could use your help! Just send Shayna a note at gm@pitheatre.com and we will make sure that we find the right opportunity for you.

Want more information? Send us an email at gm@pitheatre.com or give us a call at 604.872.1861

Thanks for being a part of our season!
