

## Speaker Series: Rabbi Laura Kaplan

After every performance of [The Events](#), Pi will be hosting a discussion. We have some amazing speakers coming in and want you to join us.

We're excited to welcome Rabbi Laura Kaplan, the director of Inter-Religious Studies at Vancouver School of Theology for our January 17th preview performance of [The Events](#). Rabbi Kaplan will be talking about the show's representation of queer spirituality.

Whether you're seeing the show on the 17th or not, please come join us for a drink and join in on the discussion! Everyone is welcome!
