

## Hive3 - House/Home

Busy little bees, it is time to return to the HIVE: Twelve adventurous theatre companies deliver twelve distinct performances in continuous rotation.

Presented with

Flutter from one site-specific show to the next, with DJs, dancing and more theatrical social networking.

Pi's piece, *House/Home*, will be directed by Artistic Director Richard Wolfe. For **House/Home** each audience member is given a key to 577½ Great Northern Way and is invited to drop by for a visit. Using music, burlesque, poetry and movement, Pi explores the surreal matrix of our most private spaces.
