

Lost Words: Political Edition

What makes a play so controversial that authorities ban it from the stage?

That's exactly what we're exploring in our *Lost Words* series.

The first *Lost Words* of the new year will be held on Tuesday January 26th, 2016 and it is our Political Edition.

January 26, 2016: Political Edition

So what happens when someone disagrees with the party in power and writes something about it, or maybe sings a song about a Prime Minister and then becomes the subject of an investigation?

Just wait until you see what we have in store for you!

Our fantastic guest artists for this Edition are Sereana Malani and Brett Harris.
