During Transgender Awareness Week, Pi Theatre produced a cabaret featuring dance, live music, short films, drag, poetry and more, all by trans, non-binary and Two Spirit artists. Curated by Gavin K Somers, this celebration showcases bold trans artistry from across Metro Vancouver. This FREE show is part a series of community events hosted by Pi around our production of *Hir* by Taylor Mac.

This event took place on the unceded, traditional territories of the Coast Salish Peoples, including the Musqueam, Squamish and Tsleil-Waututh First Nations.
